
Alexandra Sheren

PROFILE

Artist & Filmmaker

"My work shows how I see who people are when nobody is looking at them, their inner search for freedom, and their answer to this search."

Education:

International School of Photography and Cinema, Photography, Saint-Petersburg, Russia.

Lendok Cinema School, Film Directing, Saint - Petersburg, Russia.

In my work I am pursuing to explore sensuality and otherworldliness of humans. As well as expose the mystic and surreal realms that are hidden inside of our lives.

I am a professional portrait photographer, but apart from that my passion is travel photography.

Numerously featured in Photographize Magazine.

Exhibited at Agora Gallery, New York (2020).

Exhibited at two Photo D'Femme Contests "Seeing Women", France (2020).

Exhibited at "The Wings" gallery, Saint -Petersburg, Russia

Exhibited at Marvelous Art Gallery, and represented in the Marvellous Art Gallery Magazine and Annual Book of the best artists.

Selected by ArtConnect, a leading resource for emerging contemporary artists worldwide, as an artist to watch out in 2021.

Membership in the Circle Foundation for the Arts, a platform featuring remarkable visual artists around the world.

Finalist award in a Circle Foundation Art Review Contest.

Certificate of Artistic Excellence at SPECTRUM Brooklyn, New York Art Fair.

My short movie "Portraiture" has received numerous awards around the world and is still touring the festivals.

2017 - 2019 Official photographer of "Science and Non-duality Conference" (Italy, California)

2019 Official photographer of "Biohacking 2019 Conference" (Finland)

2022 Series of short movies on shamanism for "Kushi Ayahuasca" Retreat Center
